

Michigan Spring Peach Meeting 2024

March 5, 2024, 8 a.m. – 4:00 p.m.

Attend the best meeting on peaches in the upper Midwest.

The 2024 Michigan Spring Peach Meeting is the best annual meeting in Michigan and the region to learn about this crop. This will be a one full day program with both in person and on-line virtual options available. This meeting will cover a wide array of information about peaches and peach growing.

You can register online, by mail, or at the door. There is a discount for advance registration. For people attending in person, registration / socializing starts at 8 a.m. Credit cards, checks, and cash will be accepted. The educational program starts at 9:00 a.m. and ends at 4:00.

The in-person meeting will be held at the SW Michigan Research and Extension Center, 1791 Hillandale Rd, Benton Harbor, MI 49022. Zoom option is available for attending the meeting over the internet.

The meeting will focus on new peaches varieties, insect and disease management, marketing strategies, chemical fruit thinning, tree training, clingstone peach marketing, and cold hardiness. Featured speakers include Ross Williams, Titan Farms, SC, Emily Lavelly, Michigan State University, Greg Lang, Michigan State University, Bill Shane, Michigan State Univ., local and regional marketers, and others.

Attendees will be eligible for credits toward their recertification of their Michigan pesticide applicators license.
